Re: Courageous Conservatives PAC (the "Committee")

Dear Jack Baisden:

This letter is in response to your letter dated April 14, 2016 concerning the Year-End Report of the Committee filed on January 29, 2016. Your letter requested that the Committee provide state-specific detail on an independent expenditure by the Committee. This issue was previously the subject of a prior letter making an inquiry with respect to the Independent Expenditure Report on which this independent expenditure was reported (FEC-1037523 dated December 28, 2015). That Independent Expenditure Report was amended on March 15, 2016 (FEC-1055367). Because the Year-End Report was filed prior to the March 15, 2016 amendment of the Independent Expenditure Report, the Year-End Report did not contain the amendment made to this particular filing. The Committee has amended its Year-End Report to provide the same detail on the Year-End Report as was reported on the amended Independent Expenditure Report.

If further clarification or any additional information are needed to resolve this issue, please let us know.

Sincerely,

James C. Thomas III
